

2017 Curbside Leaf Pick-Up

The Town of Cumberland will once again provide curbside leaf pick-up throughout the Town. This service is intended to make it more convenient for Town residents to dispose of leaves in an environmentally friendly manner. All leaves collected by the Town are composted and will be available for use by residents next summer.

At the current time, we expect the 2016 Leaf Pick-Up Program to begin on **Monday, October 23rd** and end on **Friday, December 1st**, however, at that time a survey of the leaf situation will determine if the schedule will be extended.

In order to make sure that the Town's leaf vacuum is not damaged, it is very important that no limbs, brush, rocks or other debris be mixed in with your leaves. **If such material is present, the Town will not pick-up the leaves at that location.**

The Federal Clean Water Act has changed the way the Town must manage the Town's Storm Water Sewer system. Under the Federal Clean Water Act you are prohibited from raking leaves into the street where they impact the Storm Sewer System and the Town is responsible for enforcement of this provision.

This is why the leaves in front of your property may not be picked up until they are removed from the street. If the leaves are not removed from the street you may be subject to additional penalties, including a fine.

As in the past, leaves should be raked into a windrow at the **edge of the road** (not in the side ditch, **not on the road**) so that our leaf vacuum can reach the leaves. **Leaves that cannot be reached will not be picked up.**

Our 2017 Leaf Pick-Up schedule is provided below:

<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>
<u>Glen Oaks</u>	<u>Glen Oaks</u>	Cumberland Heights
Oak Blvd. South	Woodland East	Valley Brook Farms
Oak Blvd. North	Woodland West	Buck Creek Road
Oak Blvd. West	Hickory Dr., Ln. and Ct .	Cobblefield Estates
County Road 700	Mt. Comfort Road	
<u>Thursday</u>	<u>Friday</u>	
Gale Crest	Cumberland Proper	
10 th Street	Washington Meadows	
Any areas not serviced	Glen Oaks Village	
On Wednesday.		

In the event of inclement weather, equipment breakdown or other situations beyond our control, leaf pick-up will remain on schedule by day of week and area to be serviced. As time allows, we will attempt to go back and service those areas that may have been missed on regularly scheduled days.

Please contact Ben Lipps the Streets Superintendent at (317) 894-6210 if you have questions or concerns about the leaf pick-up.
